Narrative (1)

Leithead, Carl PV133 **07/04/2025**

On 7/4/2025 at approximately 0950 hours, Phillip Delaney called in and reported to dispatch that there are political protesters mounting banners to city property in the area of 7281 E. Pav Way. Corporal Rousseau drove by the protest location and advised the protest is peaceful and we will not be making contact with them. At 0955 hours, Phillip called in again and dispatch documented that Phillip said he wants to start ripping the signs and banners off. At 0956 hours, dispatch received a call that a counter protester is punching people. Corporal Rousseau said he just spoke to Phillip on the phone and Phillip told him things are going south.

Upon my arrival, I parked in the chili's parking lot, and I observed a male subject walking over to a white Jeep Unlimited, AZ Plate 6VA17N. As I was exiting my patrol vehicle, several protesters were pointing at the male subject getting into the jeep and advising he assaulted people. As I approached the male next to the Jeep later identified as Phillip Delaney, I observed he was washing blood off his hands with a clear water bottle.

I was then approached by Ronald Smith who was bleeding from a laceration over his right eye. He said the male pushed his wife down and she's still laying on the ground. I called for CAFMA Fire and Officer Stambaugh went with Ronald to assist his wife, Rose Smith while I spoke briefly to Phillip.

Phillip said he walked out to the protest, and he was on his phone. He said a women (Rose) came at him and hit him with her sign. Phillip said he just pushed her away. Phillip said he was in the protest because he called us to get the signs off city property. I told Phillip the signs are only on a pipe handrail. Phillip said they have to hold the signs. He said Ronald grabbed onto his shirt after he pushed the women down. Ronald then started hitting him. Corporal Rousseau then spoke to Phillip about why he took things upon himself after he called us about the signs. While they spoke to Phillip, I went to speak to witnesses who observed the incident.

I first spoke to James Clark, and he stated the following. They were peacefully protesting and Phillip started inn. James said Phillip first got on the phone with the Police. Phillip then started getting into people's faces and yelling. Rose was holding a sign and Phillip was getting really in her face. Rose pulled

the sign up in front of her and bumped Phillip's hat. Phillip then said she attacked him. He said that is when Phillip started " wailing". He said people started to jump inn to get it broke up. James said Phillip hit Rose right in the "chops". James said that's her laying over there. He was talking about Rose who was laying on her back under the metal pipe handrail. James said Phillip also pushed Rose and she fell to the ground. Phillip then hit Ronald who came over to help his wife, Rose. James did say he saw Ronald throw punches at Phillip because of what Phillip was doing to people. James said he didn't observe anyone else throwing punches besides Phillip and Ronald. James said he did not observe Rose hitting Phillip in the face with her sign. He only observed Rose raising her sign to prevent Phillip from getting any closer to her face and she bumped his hat with her sign because he was too close to her.

I then spoke to Cheryl La Nove, and she explained the following. She was standing behind Rose and next to Ronald. She said Phillip was standing to the side of Rose. She said Phillip was getting "really, really" close to Roses' face and "screaming" at her. Rose put her hand up because Phillip was really close to her face. Philip told Rose, if you hit me again, I'm going to punch you and then Phillip just went wild. She said Phillip started throwing punches. She said he hit Ronald first and then hit Rose and she stumbled back and hit her head on the metal handrail. Cheryl said she tried to break up the altercation, but Phillip continued until multiple people stopped it. Cheryl said she never observed Rose hitting Phillip with the sign. She only observed Rose raising the sign between them because Phillip was too close to her face. Cheryl had Rose stay on the ground because Phillip was still throwing random punches.

Both witness statements were the same as far as the series of events and the assault. I went back to speak to Phillip who after witness interviews was the predominant aggressor. After speaking to Sargant Stambaugh he told me a retired nurse practitioner was helping Rose while she was on the ground. He told Sargant Stambaugh that Rose was unconscious for approximately 45-60 seconds. Rose was transported to YRMC East by Priority Ambulance.

I spoke to Ronald briefly and Phillip was giving everyone a hard time. He saw Phillip leaning into Rose and yelling at her. Rose put her sign up in front of him, so he attacked her. Ronald said he thought he saw Phillip throw a punch at Rose and he then pushed her. Rose fell down and banged her head. When Ronald went up to defend Rose, Phillip immediately attacked him. He said Phillip grabbed his arm and punched him a few times in the face and head. Ronald then followed the ambulance to the hospital. Ronald had a large laceration over his left eye that was still bleeding. he also had a scratch on his right forearm area.

I then read Phillip his Miranda Rights and he stated he understands his rights. Phillip explained that he called the Police before he even got out there. I told Phillip then he should have let us do our job. Phillip said he was standing in front of the signs that were attached to city property. Dispatch told him the Police will be calling him. Phillip said he just stood there waiting for a call back. Phillip said someone said something, so he said something back, never raising his voice. Rose came over to him and grabbed his shoulder. Phillip said it's hard to remember the rest because he's under arrest. She was saying political things, so he was responding to her. He said Rose then walked right up in front of him and hit him in the face with her sign. Phillip said he just pushed her away and she fell backwards. Ronald then came racing up and jumped on him. He said he pushed Ronald away and he fell backwards. Ronald got up, ran over, grabbed his shirt and started hitting him. He said Ronald hit him in the face and he's sure he hit him

back.

Based off consistent statements by witnesses, Phillip was arrested for aggravated assault, assault and disorderly conduct. He was booked into the YCSO Prescott Jail. After I left the Jail, I went to YRMC East to check on Rose and Ronald. Ronald said they did a cat scan and there was no bleeding or swelling of the brain. Rose had no memory of what happened, and her short-term memory was affected by the impact on the back of her head. Every time she looked at Ronald it was like seeing his laceration on his face for the first time. Rose would look at his face, point and say did someone hit you. Rose thought they were still living in Massachusetts even though they moved from there in 2007.

No further.

Cleared adult arrest.

Supplemental Narrative (1)

Stambaugh, Michael PV125 **07/04/2025**

On 7/4/2025 at approximately 0000 hours, I was in the area of Centre Ct and Glassford Hill Rd when a report of an assault came out near the Chilies' parking lot. I arrived along with Officer Leithead at the same time, less than a minute after the call was dispatched. I noticed several people around a white Jeep, one male later identified as Ronald Smith, who I noticed was bleeding from the head. Ronald told me he was punched by the man trying to get in his jeep and that then male had also punched his wife, Rose Smith. Ronald told me Rose was lying on the ground on the sidewalk near Hwy 69, in front of Chilies'.

I looked over to where Ronald pointed and noticed a group of people around a female lying on her back near the sidewalk. I walked over and made contact with Rose who told me she hit her head and that it hurt on the back of her head. A male, later identified as Russell Butler, stated he was a Nurse Practitioner and told me Rose punched then pushed her to the ground, hitting her head on a metal pole on her way down. Russell told me he observed Rose lose consciousness for approximately 45 seconds to a minute and seemed to be confused. Another female, who I didn't get her name, told me the same. Both Russell and the female told me they only witnessed Rose go unconscious but not the incident.

I noticed Ronald standing by the fence near Rose and asked if he saw what happened. Ronald told me yes, and again stated he was her husband and told me the male, Phillip Delaney, had come over to them while they were protesting and got in Rose's face, yelling at her. Rose put her sign up between her face and his, so she couldn't see him. This was when Phillip punched Rose in the face then pushed her to the ground, where she hit the back of her head on a fence post on the way down. Ronald told me because Phillip just punched his wife, he got between them and Phillip then punched him in the face and threw him to the ground as well, causing his head to bleed and some scrapes on his arm, between his forearm and elbow.

While standing over Rose, I noticed her eyes roll back in her head a couple times and couldn't seem to speak very well when I was asking her questions. Medical arrived on scene and transported Rose to the hospital. Phillip was arrested by Officer Leithead and transported to the Prescott Jail.

This ended my involvement in this matter.

Supplemental Narrative (1)

Leithead, Carl PV133 **07/05/2025**

On 7/5/2025 at approximately 1300 hours, I spoke to Rose and Ronald again to follow up on how Rose is feeling. Rose said she has no memory of even going to the protest. She has several large lumps on the back of her head and her memory is still foggy. Rose has a headache and if she turns her head she gets a shooting pain in her head. Roses memory is coming back because she remembered the name of their 12-year-old dog today and now knows she is not in Massachusetts.

Ronald said he still has a headache and forgets his tasks from time to time. Both Ronald and Rose are concerned because they were contacted by the Jail Staff and advised that Phillip is being released. I told them if there are any suspicious people at or near their house to contact the Police.

Craig Skiera called in at the end of my shift on 7/4/2025 after my initial report was finished. Craig said he witnessed the incident while he was at the protest. Craig said he was walking up the sidewalk east bound towards Rose, Ronald and Phillip. Craig observed the back of Phillip, "face to face, or chest to chest" with Rose. Ronald came walking up and Craig heard Phillip say," You hit me" and Rose denied it. Craig said Phillip then "unleashed a flur of blows". Phillip punched Ronald in the head and Ronald fell down. Phillip then Pushed Rose, and she fell into the handrail and as she was falling, she struck her head on the bottom rung of the rail. Craig went up to check on Rose and she was unconscious for approximately 30 seconds. Craig said he wasn't positive who got hit or pushed first, whether it was Ronald or Rose. Craig said it all happened really quick.

Stambaugh, Michael PV125 **11/19/2025**

On 11/19/2025, it was brought to my attention from Yavapai County Deputy Attorney Tony Garcia, that a sentence in my supplement to this case was a bit confusing. The sentence Mr. Garcia was referring to my second paragraph, sentence number two states,

“A male, later identified as Russell Butler, stated he was a Nurse Practitioner and told me Rose punched then pushed her to the ground, hitting her head on a metal pole on her way down.”

When I meant to write was, A male, later identified as Russell Butler, stated he was a Nurse Practitioner and told me Rose was punched then pushed to the ground, hitting her head on a metal pole on her way down to the ground.”

Supplemental Narrative (1)

Rousseau, Derek PV191 **12/09/2025**

On 07/04/2025, at approximately 0956 HRS, I received a call from Phillip Delaney regarding a group of protestors participating in a "No Kings" protest along SR-69. Phillip alleged that the protestors were posting signs on town property. I drove by the protest location and observed the group standing on the walkway along SR-69, taping their signs to the railings, and holding signs. The group appeared to be following all necessary laws for lawful protesting. There was no visible damage to town property. Based on my observations and prior experience with similar protests, I determined there was no need for police intervention. Therefore, I closed the call without making contact with the group.

Shortly after closing the call, Phillip contacted dispatch again, asking if he could take down the protestors' signs. I was informed of this second call and contacted Phillip by phone. On my first callback, I heard a male say "Get off the phone" and the call ended. I immediately called again and when Phillip answered, he said the situation had "turned south and told me he was at the Chili's parking lot when I asked for a location. He alleged that the protestors had attacked him. I informed Phillip that I would respond to his location.

Upon arrival at the Chili's parking lot, I saw that Ofc. Monteith and Ofc. Leithead were already out with Phillip, and Ofc. Leithead was performing an interview. I stood by for a short time while Ofc. Leithead was asking Phillip questions, and then I also spoke to Phillip due to my conversation with him on the phone. Phillip provided the following account: He stated that he had been standing near the protestors, waiting for police to respond, and had not touched their signs. He claimed that a female protestor approached him, began yelling, and hit him in the face with a sign. Phillip stated that he pushed the female away from him in response. He further alleged that after he pushed the female, her husband intervened, grabbed his shirt, and began hitting him. Phillip stated that multiple people then became involved, and he was unable to leave the area quickly. He also claimed that the female had grabbed his shoulder before hitting him with the sign, and he told her not to touch him. I did not observe any injuries to Phillip.

I asked Phillip if he knew how he could have avoided the altercation and he replied "not go over there." expressed my frustration to Phillip that there never seemed to be problems with protests from the initial group, and only with those who show up to start arguments and counter-protest. Phillip said he would "drive by and ignore it" from now on.

I went over to speak with other officers on scene and I observed that the protestors were still present along SR-69. After learning of the other side of the incident from Sgt. Stambaugh, I asked Ofc. Monteith to take Phillip into custody. The protest appeared to be peaceful at the time of my arrival. I also spoke with the manager of Chili's, who expressed concerns about protestors' vehicles being parked in their lot. The manager requested that the vehicles be moved. I informed the manager that I would locate the event organizer to address the parking issue.

I relayed all pertinent information I learned from Phillip back to Ofc. Leithead, as he was taking primary on the call. I performed no other interviews in this incident.

This concludes my involvement.

It should be noted that this supplement was created on 12/9/25 after an email from the litigation specialist assigned to this case, which alerted me to the fact I never completed a supplement for this case.

I acknowledge this report was generated using Draft One by Axon. I further acknowledge that I have reviewed the report in detail, made any necessary edits, and believe it to be an accurate representation of my recollection of the reported events. If needed, I am willing to testify to the accuracy of this report.

On 07/04/2025 I responded to the area of E Pav Way and N Centre Ct as a backup officer. Upon arrival I stood by while officers interviewed involved parties as there was a large crowd in the area. I remained with a male suspect identified as Phillip while officers interviewed other parties present. I was advised on the radio by Corporal Rousseau to place Phillip under arrest. Phillip was secured with handcuffs behind his back which were checked for proper fit and double locked. Phillip was then secured in the rear seat of my patrol vehicle. I was present when Officer Leithead advised Phillip of his Miranda Rights then conducted an interview. I also ensured Phillip's vehicle was locked as it was to remain on scene.

FACTS SUPPORTING PROBABLE CAUSE:

On 7/4/2025 at approximately 0950 hours, Phillip Delaney called in to report political protesters are mounting banners to city property. Corporal Rousseau drove by the locations and said the protest is lawful and we will not contact the protesters. At 0955 hours, Phillip called dispatch again and said he wants to start ripping the signs and banners off. At 0956 hours, dispatch received a call that a counter protester (Phillip) is punching people. Corporal Rousseau said he just spoke to Phillip on the phone and Phillip said thing are going south.

Upon my arrival, I observed a male subject (Phillip) walking over to a white Jeep parked in the Chili's parking lot. Several people were pointing at him as I exited my patrol vehicle. Ronald Smith walked up to me and he had a large laceration over his left eye and blood all over huis face. Ronald said Phillip just assaulted him and pushed his wife Rose Smith down to the ground and she's still on the ground. Sergeant Stambaugh ran over to Rose and Ronald followed her. As I approached Phillip, he was washing blood off his hands with a bottle of water.

Phillip said a female hit him in the face with her sign so he pushed her back and was then attacked by her husband. Officer Monteith stood with Phillip while I went and interviewed witnesses. There was approximately 25 protesters on the sidewalk. I spoke to two witnesses who were standing right next to and behind Rose and Ronald. They both gave the exact same statements about what happened. Neither witness knew each other or spoke about the incident. They both advised Phillip came walking up and eventually started yelling at Rose. Phillip was getting really close to Roses' face so she held up her protest sign in front of her face. When she lifted her sign, Phillip was so close to her that the sign hit the bottom of the bill of Phillip's hat. Phillip was wearing a hat with an approximate 7 inch long bill. Phillip then pushed Rose and she fell to the ground. Ronald came running up to help his wife and Ronald and Phillip got into a physical altercation. Phillip started punching Ronald in the face. Several protesters broke up the altercation. Ronald did say he hit Phillip. One witness said he saw Phillip punch Rose in the jaw and also pushed her. He was the only one that said she was punched. Rose was getting medical help so she has not yet been questioned about if she was punched in the face.

Rose was transported to YRMC East by Priority Ambulance. A nurse practitioner on scene was tending to Rose prior to medical arrival. He advised Rose fell on the back of her head and struck a metal pipe handrail on her way down. She was unconscious for approximately 45-60 seconds. Rose had a large lump on the back of her head and she was laying in a pile of large red ants. Rose was on her back under the pipe handrail laying on the ground.

I read Phillip his Miranda Rights and he verbally stated he understands his rights. Phillip said Rose hit him in the face with her sign by actually pushing it towards him. Phillip said he pushed her back to protect himself. He then said he was punched by Ronald. Phillip had scratch marks to the right side of his face.

Rose is 68 years old, Ronald is 76 years old. All the witnesses had the same report to what happened making Phillip the predominant aggressor. Phillip is being charged with aggravated assault based off Rose losing consciousness.
